\$6.00 for Scholastic News (Make check payable to Scholastic)

The Tomahawk Elementary School Library and computer teachers are creating a STEM learning environment that will cater to grades k-5. In order for us to do STEM activities with the students we have created a wish list of supplies that we will need.

STEM- Science, technology, engineering and mathematics (STEM, previously SMET) is a term that refers to the academic disciplines of science, technology, engineering and mathematics.

Spaghetti noodles  
big marshmallows  
paper towel rolls both full and the cardboard that is thrown away  
center of toilet paper rolls
