

2018 TOMAHAWK SUMMER SWIMMING AND WATER SAFETY PROGRAM

Registration for the 2018 Summer Swimming and Water Safety Program at the Tomahawk Swimming Pool **WILL TAKE PLACE ON-LINE BEGINNING THIS YEAR!** All classes have limited sizes (please see class “Max” on the attached information for each class section). All classes will be filled on a first come-first served basis. Registrations will be timestamped to ensure that class spots are filled in the order they were completed. You will be required to make a first choice and second choice of class using the Google Form at this address: https://docs.google.com/forms/d/e/1FAIpQLSfKRxq1VGJW6_8UyMYxXFHqjH2-hsMslGBAq42coMjcPa8djA/viewform?usp=sf_link

The Google Registration Form for Swimming Classes **WILL OPEN at 8:00 AM on Saturday, April 14th** and will remain open throughout the summer as we offer classes during 3 separate date sessions (see attached session and class date information.) Once you have completed your registration and a class spot has been reserved for your swimmer, a confirmation email will be sent to the email address that you provide on the registration form. It will be important for you to know the **CORRECT SWIMMING LEVEL** for your swimmer **BEFORE logging-on** to register! Please see the next page for instructions regarding how to determine your swimmer(s) correct level!

If you are not able to register on-line using the Google Registration Form as outlined above, you may stop at the pool office to complete your registration according to the following schedule, beginning Monday, April 16th.

Mondays: 6:00-9:00 am, 2:00-3:00 pm and 5:00-6:30 pm Tuesdays: 2:00-5:00 pm
Wednesdays: 6:00-9:00 am, 2:00-3:00 pm and 5:00-6:30 pm Fridays: 6:00-9:00 am and 3:30-5:30 pm

We project enrollment levels as closely as possible to the amount needed for each swimming level. We will **not** overload classes to more than the maximums listed on the following information so we can be sure to provide the best in instruction for your children, so please be prepared as you will be asked for at least two choices of classes that will work for your schedule in case your first choice is full when you log-on or stop by the pool to register. We have tried to offer as many session/time options at each level as possible for your convenience. There will be two or three different levels going on in the pool at all times, with three certified teachers (plus teaching assistants and lifeguards) on staff at all times.

You will need the following information for EACH child that you are registering: name, address, phone number, parent/guardian names, e-mail address, student age and date of birth, alternate person to contact in case of emergency, medical or physical conditions, wear glasses?, wear earplugs?

There is **NO registration fee** required for any of the Summer Swimming and Water Safety Classes at the Tomahawk Swimming Pool, however tax deductible donations to the Tomahawk Swimming Pool Activity Account are always appreciated and are used to purchase pool equipment for use by swimmers.

In lieu of a fee however, please note that the following requirements MUST be met by all:

**The classes can only be attended by the registered swimmer.

**In order for a registered student to be considered for advancement to the next swimming level, a minimum of 10 class dates must be attended AND positive performance/check off of all swimming skills must be completed.

**If the registered swimmer will not be able to attend the class as registered, the parent or guardian MUST contact the pool in a timely manner to cancel the registration, so that other students on waiting lists may attend the classes.

Please read the attached information carefully, especially the special notes and requirements for each course offering, to help your on-line registration process go as smoothly as possible. If you have any questions about the program, please stop at the pool, e-mail to kohlm@tomahawk.k12.wi.us or call the pool phone number at 715-453-2126, Ext. 220 – please leave a message if needed. Please do not call the school offices or the pool director’s home phone for information about swimming lessons—thank you!

Please see over, and the attached sheet for course offering information.
Thank you for your interest and we hope to see you at the pool this summer!

SUMMER 2018 AT THE TOMAHAWK SWIMMING POOL

**Please note that all classes have maximum enrollment numbers which will be strictly adhered to, in order to provide the best in swimming instruction for your children.

**In the American Red Cross Water Safety Progression, students must successfully complete the skills contained in each swimming level before advancing to the next level. This is NOT an age or grade level progression! If you are unsure where your swimmer fits in to our program we can help you at the pool. If you are new to the program here at Tomahawk, but your swimmer has taken lessons at other facilities, please have any information as to course completion that you may have, handy when you call or email. We reserve the right to pre-test students to ensure proper placement in the levels. We can pre-test students at any scheduled open swim time; please contact the pool for dates and times of open swim. If you are registering a swimmer who is currently in K5 or 1st grade and has never had swimming lessons before, please register them in one of our Level 1 – Beginner classes.

This program is designed to accommodate each swimmer at one level per summer. We teach approx. 350 students each summer. Any openings remaining after spring registration will be filled on a first come, first served basis and **swimmers will only be able to register for a 2nd level AFTER they have passed their 1st registered level.

It will be important for you to know the **CORRECT SWIMMING LEVEL for your swimmer **BEFORE logging-on** to register! If your swimmer had lessons with us last summer, you can check their correct swimming level by logging into your Skyward account (Contact the school office if you are a new user and need your Login and password.)

1. Go to: <http://www.tomahawk.k12.wi.us/>
2. FAMILIES tab, (hover over)
3. COMMUNICATION; Family Access – Skyward
 - a. “Login to Family Access – Skyward Student Portal” (yellow link)
4. Enter your Login and Password
 - a. Contact the school office if you are a new user and need your Login and password.
5. Once you are on your child’s student page, click on the ACTIVITIES tab on left.
6. Look for “Swim _____” The number listed next to the word swim is the level that you should register in for the summer of 2018.

****Please note that if your swimmer has had lessons with us before, and you do not pre-check the correct swimming level before registering, either by looking at your swimmer(s) end-of-lesson report card from last summer, by checking the correct level using the information directly above or by calling or emailing the pool and you register for an incorrect level, you will be contacted via email to make adjustments to the proper level. No guarantees will be made as to open class spots for your swimmer(s) if you register for an incorrect level.**

(100% attendance is required for this class!)**JUNIOR LIFEGUARDING SPECIAL REQUIREMENTS:**

Students must be 12 years old or older by August 7, 2018. Students should have completed Level 6 swimming or have instructor approval for admittance to the course. This course is designed for those students with a serious interest in swimming and water safety. It involves classroom, video and textbook study and lecture, as well as water instruction. Written and water testing must be successfully completed to pass the course. Students will also be instructed in American Red Cross First Aid and Adult CPR/AED, and will receive certification in these topics upon successful completion of practical and written tests. This course serves as a good prerequisite to the American Red Cross Lifeguard Training Course. Please note, this class **DOES NOT** “certify” the student to work as a lifeguard!
