# Top 3 Priority Planning Areas for Return

- 1. *Handwashing Stations and Built in Procedures***
- 2. *Disinfection protocols combined with reduced sharing of tools***
- 3. *Limited building entry by visitors***

*\*STAFF shared the same top three priorities w/#2 & #3 reversed and #3 tied w/social distancing practices.*

*\*CDC and Other Health guidelines will be used to determine practices with these priorities at the forefront.*

# Transportation

6

- » 32% of families said they'd be willing to transport while 30% already report not using District transportation
- » 38% will still require busing

# Connectivity reported by household in survey

A cluster of five white, five-pointed stars of varying sizes is positioned to the right of the main title, partially overlapping the word 'survey'.

## Actions thus far to address connectivity issues:

Boosters purchased by IT Dept.

Survey analysis will occur for placement of boosters & follow-up w/families

Devices for all students w/Chromebooks will be provided if fully remote learning should occur again.

# Return Planning:

8

Communication structures will underpin each plan and transition between plans

**Plan #1** is to  
Return to FULL  
In-Person  
Learning  
w/disease  
mitigating  
procedures

**Plan #2** is to  
have a  
hybrid/blended  
structure  
operating on a  
M/W or T/TH  
schedule. (Friday:  
Structured  
Support)

**Plan #3** is to  
have Tomahawk  
staff conduct  
remote learning  
with students.  
M-TH New  
Learning (Friday:  
support)

Students can choose the alternative of fully online learning w/ [Tomahawk Virtual Academy](#)
