

## School District of Tomahawk Meal Service during COVID-19 outbreaks

USDA has given school districts the ability to provide meals for children during unanticipated school closures. Tomahawk School District will be offering meals to students to help ease the burden during these difficult times.

Breakfast and lunches will be available for any student in your household that is 18 and under. The meal will follow USDA guidelines for school meals, and will include fruit, vegetables and milk along with a sandwich or breakfast item. Ingredients will be packaged separately to maintain quality and freshness, with the intent that they may be consumed the day of, or the following day if they are stored under refrigeration.

To maintain social distancing and make this service as convenient as possible, we will have drive through pick up using the driveway in the front entrance to Tomahawk Middle School in the morning or afternoon on the days offered. Families can choose the time that best meets their needs. The pick-up dates and times are as follows:

Thursday	3/19	7am-12:30 p.m.
Friday	3/20	7am-12:30 p.m.
Monday	3/30	7am-12:30 p.m.
Tuesday	3/31	7am-12:30 p.m.
Wednesday	4/1	7am-12:30 p.m.
Thursday	4/2	7am-12:30 p.m.
Friday	4/3	7am-12:30 p.m.

We will offer two meals per child each of the above days, (one breakfast and one lunch). We will utilize the driveway in the front of The Tomahawk Middle School and have a representative there to distribute the meals as you pull through. There is no preordering necessary.

For families living outside of Tomahawk, we will have meals dropped off at the family bus stop each day. Bus deliveries will follow the normal morning route, starting at 8:00 a.m. The bus will stop for the delivery of the meals at the normal pick-up point for a few minutes to deliver the meals.

If you have any special dietary needs or further questions about the meal service for COVID-12, please contact:
