The Tomahawk Elementary School Library and computer teachers are creating a STEM learning environment that will cater to grades k-5. In order for us to do STEM activities with the students we have created a wish list of supplies that we will need.

STEM- Science, technology, engineering and mathematics (STEM, previously SMET) is a term that refers to the academic disciplines of science, technology, engineering and mathematics.

Spaghetti noodles	masking tape
big marshmallows	duct tape
paper towel rolls both full and the cardboard that is thrown away	liquid glue
center of toilet paper rolls	straws
Aluminum foil	toothpicks
Popsicle sticks	monetary donation
balloons	
newspaper	
plastic/paper disposable cups
