\$6.50 for Scholastic News (Make check payable to Scholastic)

The Tomahawk Elementary School Library and computer teachers are creating a STEM learning environment that will cater to grades k-5. In order for us to do STEM activities with the students we have created a wish list of supplies that we will need.

STEM- Science, technology, engineering and mathematics (STEM, previously SMET) is a term that refers to the academic disciplines of science, technology, engineering and mathematics.

Spaghetti noodles	newspaper
big marshmallows	plastic/paper disposable cups
paper towel rolls both full and the cardboard that is thrown away	masking tape
center of toilet paper rolls	duct tape
