

Dunking for “Dough”

Help Support Our Military Veterans

Sept. 30-Oct. 11th the TES Student Council will be sponsoring a challenge between the elementary grade levels to benefit the Never Forgotten Honor Flight Program.

The Never Forgotten Honor Flight is a Central Wisconsin based program whose goal is to fly veterans from our area who served during WWII, the Korean War, or the Vietnam War to Washington D.C. to visit the memorials erected in their honor.

It costs roughly \$500.00 to fly a single veteran on this memorable flight. Our goal is to sponsor as many veterans as possible from our Tomahawk area. With Veteran's Day quickly approaching on November 11th, what better way to show veterans that we remember and appreciate the sacrifices they have made for our country.

To add a little excitement and fun to our fundraising efforts this year, we will be setting up a challenge as a school. **If we are able to raise \$2000.00 or more as a school, our principals Mrs. Woodall and Mr. Heintz have agreed to put on their wetsuits and risk getting soaked for a good cause. They will head into a dunk tank set up out on the track. The grade level that raises the most money for our veterans will have the opportunity to “dunk” our principals in front of the entire school.**

We will keep a constant tally of the donations (change) collected by the grade levels with jars in the school office over the next two weeks. **The grade level that collects the most will also earn a special treat as a thanks for their efforts.** If you have any questions or concerns please contact your student council advisor Mrs. Barker.
