

## The Principal's Post

Welcome Back!

I hope everyone had a refreshing and enjoyable spring break! As we settle back in, we are entering a busy and important time of the school year. With two months left, plenty of learning, growth, and exciting activities are still ahead for our students.

Beginning the week of April 7th, our 3rd - 5th grade students will begin Forward testing, with each grade level testing on different dates and times. If you would like more details about the testing schedule, please reach out to your student's teacher. Thank you for your support during this important testing period!

We also have some exciting events coming up!

🌸 Flower Power Literacy Night – Tuesday, April 8th, from 4:00-5:30 PM. Join us for a fun-filled evening celebrating literacy!

🎓 5th-Grade D.A.R.E. Graduation – Friday, May 2nd. We look forward to recognizing our students for their hard work and commitment!

Additionally, please note that there will be no school on Friday, April 18th, and Monday, April 21st. April 21st is a staff in-service day, so students will have an extended weekend.

Thank you for your continued support—we look forward to making the most of these next two months together!

Sheri Woodall  
TES Principal

# Understanding the Spring Attendance Slump: Part 1

As winter ends and spring begins, schools and parents often notice a drop in attendance, focus, and energy, known as the spring attendance slump. This can be a tricky challenge, but understanding its causes and finding solutions can help reduce its effects. In this newsletter and the next, we'll explore what causes this slump and how to tackle it.

The spring slump usually shows up as lower attendance, less energy, or reduced focus. It often happens as the weather warms up, the days get longer, and summer gets closer.

Here are some reasons for the spring slump:

- **Seasonal Affective Disorder (SAD):** People usually associate SAD with winter, but some also feel it in spring. The change in season and more sunlight can mess with sleep patterns and mood, leading to less motivation and energy.
- **Distractions:** As the weather gets nicer, people want to spend more time outside or go to social events, which can cause them to miss school or not pay attention.
- **Burnout:** After working hard all year, students may feel worn out as spring comes. This can lead to less creativity, focus, and productivity.
- **Allergies:** With spring comes pollen, which can trigger allergies. The discomfort can cause students to miss school or not perform well.
- **Anticipation of Summer:** As summer vacation approaches, students may find it hard to stay focused or motivated during the spring months.

Knowing what causes the spring slump can help make it easier to deal with.

Here are some ways to overcome it:

- **Talk openly:** Have a conversation with your child about how they're feeling during the spring months. Encourage them to share any struggles with attendance, focus, or schoolwork, and work together to find solutions.
- **Revisit goals:** This is a good time to look at your child's academic and personal goals for the rest of the year. Break bigger goals into smaller, easier steps, and help them stay focused and motivated to reach them.
- **Encourage balance:** While school is important, remind your child that their well-being matters too. Encourage them to take care of themselves by getting exercise, relaxing, and spending time with friends and family.

By following these tips, parents can help their child get through the spring slump and stay energized and ready to tackle the rest of the school year. Be sure to check out next month's newsletter for more strategies to handle the spring attendance slump.

## Office

### Attendance

Please call the office before 8:30 a.m. if your child will be absent due to sickness or an appointment. If your child attends an appointment please send in their medical note.

Please make sure to send a water bottle with your child everyday. The office is running low on extra water bottles

### Seesaw

Seesaw is our main communication between parents and teachers. Please utilize this app for any changes on your students end of day plans, questions and concerns.

**\*\*Please include office staff in the message if it is regarding absences.**

### Pick up times

- **Door #10** - Grades 4K, @ 3:05 5K & Grade 1 @ 3:10
- **Door #9** - Grade 2 @ 3:10
- **Door #8** - Grades 3, 4 & 5 @ 3:12

### Drop off times

**Door #10** - Grades 4K and 5K

**Door #8** - Grades 1, 2, 3, 4 & 5

**Doors open 7:50 a.m.**

The Elementary is looking for donations of healthy snacks for our students during their snack breaks. If you are able to help, that would be greatly appreciated. Please drop off at the Elementary Office.

# Nurse Trina's Newsletter

Hello Friends,

This is our last month of the fluoride series. We also have some information regarding next school year, please see the last section of this month's newsletter. Any questions can be directed to me at the information below.

## **Fluoride: The Misunderstood Mineral**

Continuation of Previous Newsletters...

### **Part 4: What can we do about it?**

Regardless of your stance on fluoride, the best thing you can do is make your voice heard. Get out and vote! Remember, a YES vote is a vote to reintroduce the CDCs recommended levels of fluoride (0.7mg/L) back into the city water system and a NO vote is a vote to leave our city water fluoride free. Please follow up with your students' primary care provider and dental offices regarding any questions you may have. As always, practice good dental hygiene. Preventative care is easier and usually cheaper than remedial care. Quality brushing twice a day and daily flossing is a great place to start. If you need any dental care products for your student, please let me know.

### **Watching the Measles Outbreak**

By now many of you have likely seen or heard about the Measles outbreak "down south". Please be aware that Measles often manifests as more than just a rash and is extremely contagious (more than the influenza boom we saw in February). Measles is a viral infection that can cause: fatigue, swollen lymph nodes, diarrhea, koplik's spots in the mouth, pink eye/eye pain and fever. The young, elderly and immunocompromised are especially at risk. Your best protection is vaccination, and it is never too late to get vaccinated if you've chosen not to in the past.

### **Measles Info Link**

### **Medication Pick Up**

It is best practice to have a parent/guardian pick up student medications at the end of the school year to prevent student transportation of medication. Please arrange to pick your students medication up on either their last day, or during summer school. Please notify me if other arrangements need to be made.

### **Vaccination Updates for 2025/2026**

(\*required by the 30th day of the 25/26 school year: October 13, 2025\*)

4K and KG: please see the attached document. Many childhood vaccines take place before 5yo. Please be sure that your student is up to date or has a waiver on file for those that are required. Waivers can be found on the immunization log sheet attached below (under step 4).

Stay well,  
Nurse Trina

## STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS

The following are the minimum required immunizations for each age and grade level according to the Wisconsin Student Immunization Law. These requirements can be waived for health, religious, or personal conviction reasons. Additional immunizations may be recommended for your child depending on his or her age. Please contact your doctor or local health department to determine if your child needs additional immunizations.

Table 144.03-A  
Required Immunizations for the 2021-2022 School Year and the Following School Years

Age/Grade	Required Immunizations (Number of Doses)																
5 months through 15 months	2	DTP/DTaP/DT		2	Polio			2	Hep B	2 Hib	2	PCV					
16 months through 23 months	3	DTP/DTaP/DT		2	Polio	1	MMR	2	Hep B	3 Hib	3	PCV					
2 years through 4 years	4	DTP/DTaP/DT		3	Polio	1	MMR	1	Var	3	Hep B	3 Hib	3	PCV			
Kindergarten through grade 6	4	DTP/DTaP/DT		4	Polio	2	MMR	2	Var	3	Hep B						
Grade 7 through grade 11	4	DTP/DTaP/DT	1	Tdap	4	Polio	1	2	MMR	2	Var	3	Hep B			1	Mening
Grade 12	4	DTP/DTaP/DT	Tdap	4	Polio	2	MMR	2	Var	3	Hep B					2	Mening

- Children 5 years of age or older who are enrolled in a Pre-K class should be assessed using the immunization requirements for Kindergarten through Grade 5, which would normally correspond to the individual's age.
- D = diphtheria, T = tetanus, P = pertussis vaccine. DTaP/DTP/DT/Td vaccine for all students Pre-K through 12: Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** A dose four days or less before the 4th birthday is also acceptable.
- DTaP/DTP/DT vaccine for children entering Kindergarten: Each student must have received one dose after the 4th birthday (either the 3rd, 4th, or 5th dose) to be compliant. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Tdap is an adolescent tetanus, diphtheria, and acellular pertussis combination vaccine. If a student received a dose of a tetanus-containing vaccine, such as Td, within five years before entering the grade in which Tdap is required, the student is compliant and a dose of Tdap vaccine is not required.
- Polio vaccine for students entering grades Kindergarten through 12: Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Laboratory evidence of immunity to hepatitis B is also acceptable.
- MMR is measles, mumps, and rubella vaccine. The first dose of MMR vaccine must have been received on or after the 1st birthday. Laboratory evidence of immunity to all three diseases (measles and mumps and rubella) is also acceptable. **Note:** A dose four days or less before the 1st birthday is also acceptable.
- Varicella vaccine is chickenpox vaccine. Students with a reliable history of varicella disease are not required to receive the Varicella vaccine. A physician, physician assistant, or advanced practice nurse prescriber must document a reliable history of varicella disease by indicating that the student has had varicella and signing the Student Immunization Form (DHS Form 04020L). Students (excluding new enterers and kindergartners) with a parental report of disease prior to May 2024 are considered compliant.
- One dose of Meningococcal vaccine (serogroup A,C,W,Y) is required for students entering 7th grade, and a booster dose is required for students entering 12th grade. Students are assessed for this requirement in 7th grade and 12th grade only. Current Wisconsin students in 8th-11th grade will not be assessed for this requirement until they enter 12th grade. A second dose is not required for students who received their first dose of MenACWY at age 16 years or older.

STUDENT IMMUNIZATION RECORD

**Instructions to Parent:** Complete and return to school within **30 days after admission**. State law requires all public and private school students to present written evidence of immunization against certain diseases **within 30 school days of admission**. The current age/grade specific requirements are available from schools and local health departments. These requirements can only be waived if a properly signed health, religious or personal conviction waiver is filed with the school. The purpose of this form is to measure compliance with the law and will be used for that purpose only. If you have questions regarding immunizations, or how to complete this form, contact your child's school or local health department.

Step 1

Personal Data

Please Print

Student's Name	Birthdate (MM/DD/YYYY)	Gender	School	Grade	School Year
Name of Parent/Guardian/Legal Custodian		Address (Street, City, State, ZIP Code)		Phone Number	

Step 2

Immunization History

List the **month, day, and year** your child received each of the following immunizations. If you do not have an immunization record for this student, contact your doctor or public health department to obtain it. You may also use the Wisconsin Immunization Registry:  
<https://www.dhfs.wisconsin.gov/immunization/registry>

Type of Vaccine*	First Dose MM/DD/YYYY	Second Dose MM/DD/YYYY	Third Dose MM/DD/YYYY	Fourth Dose MM/DD/YYYY	Fifth Dose MM/DD/YYYY
DTaP/DTP/DT/Td (Diphtheria, Tetanus, Pertussis)					
Adolescent booster (Check appropriate box) <input type="checkbox"/> Tdap <input type="checkbox"/> Td					
Polio					
Hepatitis B					
MMR (Measles, Mumps, Rubella)					
Varicella (Chickenpox) Vaccine					
Meningococcal (serogroup ACWY)					

Students with a reliable history of varicella disease are not required to receive the varicella vaccine. Signature from physician, physician assistant, or advanced nurse prescriber required.

☐ I attest that this student has a reliable history of varicella disease,

SIGNATURE – Health Care Provider      Date Signed

Has your child had a blood test (titer) that shows immunity (had disease or previous vaccination) to any of the following? Check all that apply.

☐ Varicella   ☐ Measles   ☐ Mumps   ☐ Rubella   ☐ Hepatitis B

If **yes**, provide laboratory report(s)

Step 3

Requirements

Refer to the age/grade level requirements for the current school year to determine if this student meets the requirements.

Step 4

Compliance Data

Student Meets All Requirements

Sign at Step 5 and return this form to school.

Or

Student Does Not Meet All Requirements

Check the appropriate box below, sign at Step 5, and return this form to school. **Please note that incompletely immunized students may be excluded from school if an outbreak of one of these diseases occurs.**

☐ Although my child has **not** received **all** the required doses of vaccine, the **first dose(s)** has/have been received. I understand that the **second dose(s)** must be received by the 90th school day after admission to school this year, and that the **third dose(s)** and **fourth dose(s)** if required must be received by the 30th school day next year. I also understand that it is my responsibility to notify the school in writing each time my child receives a dose of required vaccine.

**Note: Failure to stay on schedule may result in exclusion from school, court action and/or forfeiture penalty.**

Waivers (List in Step 2 above, the date(s) of any immunizations your child has already received)

☐ **For health reasons** this student should not receive the following immunizations \_\_\_\_\_

SIGNATURE – Physician      Date Signed

☐ **For religious reasons**, I have chosen not to vaccinate this student with the following immunizations (check all that apply)

☐ DTaP/DTP/DT/Td   ☐ Tdap,   ☐ Polio   ☐ Hepatitis B   ☐ MMR (Measles, Mumps, Rubella)   ☐ Varicella   ☐ MenACWY

☐ **For personal conviction reasons**, I have chosen not to vaccinate this student with the following immunizations (check all that apply)

☐ DTaP/DTP/DT/Td   ☐ Tdap   ☐ Polio   ☐ Hepatitis B   ☐ MMR (Measles, Mumps, Rubella)   ☐ Varicella   ☐ MenACWY

Step 5

Signature

This form is complete and accurate to the best of my knowledge. Check one: (I **do** ☐ I **do not** ☐ ) give permission to share my child's current immunization records and as they are updated in the future with the Wisconsin Immunization Registry (WIR). I understand that I may revoke this consent at any time by sending written notification to the school district. Following the date of revocation, the school district will provide no new records or updates to the WIR.

SIGNATURE - Parent/Guardian/Legal Custodian or Adult Student      Date Signed

## Music

### Just a note from the Music Room

Congratulations to 2nd and 4th Grades on your outstanding program in March. "We Rock" was a fun time for both performers and audience.

Looking ahead, the last music program of the year is our  
**Red, White, and Blue Celebration**

The program takes place in the  
**Fieldhouse at 1:30pm on Thursday, May 22nd.**

Family and community are invited to attend. The program will include the Veterans organizations, Tomahawk schools bands, choirs and of course the entire K-5 elementary school student body. Students in the 3rd -5th grade RWB Day Choir will be featured as well.

Mark your calendars for May 22nd and plan to join us.  
Please enter through door #6

# Tomahawk Elementary Newsletter

## April is Child Safety Month!

### Counselors Corner

We are committed to keeping students safe and empowering them with the knowledge and skills to protect themselves. As part of Child Safety Month, we will help students recognize safe and unsafe situations, learn how to respond, and know when to seek help from a trusted adult.

### Our Child Protection Unit will focus on:

- ◆ **Personal Safety** – Students will explore safety rules. They will also learn how to assess whether a situation is safe or not.
- ◆ **Touching Safety** – Students will learn to distinguish between safe, unsafe, and unwanted touches. We will discuss private body parts rules and how to respond if those rules are broken. We will emphasize that they have the right to say NO to any unsafe or unwanted touch and should always tell a trusted adult.
- ◆ **Assertiveness** – Students will learn how to stand up for themselves in unsafe situations, learn how to ask an adult for help, and practice using a strong, confident voice when needed.

We encourage parents to continue the conversation at home by reinforcing safety rules and letting children know they can always come to a trusted adult with concerns.

Thank you for working together with us to help keep our children safe!

## Counselors Corner

### Helping Your Child Prepare for the Forward Exam & Manage Test Anxiety

This April, our students in grades 3-5 will be taking the Wisconsin Forward Exam, our state's standardized assessment. This test helps measure students' knowledge and skills in key subject areas and provides valuable information to schools about academic progress.

#### How to Support Your Child

While testing is an important part of education, we understand that it can sometimes cause stress for students. Here are some ways you can help your child feel prepared and confident:

- ✓ **Encourage a Positive Mindset** – Remind your child that the test is an opportunity to show what they know. Encourage them to try their best without stressing about perfection.
- ✓ **Establish Healthy Habits** – A good night's sleep and a nutritious breakfast are key to helping students focus and do their best.
- ✓ **Practice Relaxation Strategies** – Deep breathing, stretching, and positive self-talk can help students manage nervous feelings before and during the test.
- ✓ **Keep a Balanced Routine** – Avoid extra academic pressure at home. Encourage fun activities and movement breaks to help your child stay refreshed.
- ✓ **Celebrate Effort** – Praise your child for their hard work and perseverance, not just their scores. A growth mindset fosters confidence and resilience.

If your child expresses worry about the test, reassure them that they are well-prepared and that their teachers and family believe in them. With support and encouragement, they can approach the Forward Exam with confidence!

## Hatchet Pride

Our school will be focusing on **Perseverance** in April. Take a look at the pictures on the page to help with reinforcing this at home. Please take time to discuss with your students that they are required to Be Respectful, Be Responsible, and Be Safe at school. Thank you for all your help!

## Encouraging Words To Stick With Challenging Things

### IF SOMEONE SAYS:

### ENCOURAGE THEM TO SAY:

"I'm not good at this."

"What am I missing? Who can I ask for help?"

"This is too hard."

"This will take some time and effort."

"I made a mistake."

"Mistakes help me learn."

"They are so good at this. I will never be that good."

"I can learn how they do it so I can become good at it, too."

MAKINGCARINGCOMMON.ORG

Mrs. Courtney Sennett  
PBIS

sennettc@myhatchets.org

Mrs. Linda VanStrydonk  
PBIS

vanstrydonkl@myhatchets.org

I can make sense of problems and **persevere**.

- ✓ I read the problem carefully to see what I know and what I need to know.
- ✓ I tried strategies like drawing, making models, or solving a problem that is similar
- ✓ I kept trying new strategies without getting frustrated
- ✓ I had an "I can do this!" attitude!
- ✓ I thought about what would be reasonable

The Teacher Studio

## Kids who **persevere**:

**Don't give up** in the pursuit of a goal, even when it is difficult.

**See failure as a positive learning experience** for the future.

**Learn** from their mistakes.

**Believe in themselves** and are willing to keep trying.
