Professional Work

Professional Staff and Support Staff Assignments

All employees will be assigned or transferred by building/district-level administrators or his/her designee.

Normal Hours of Work

- A. Professional Staff: Teachers are professional employees as defined by the Federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats.

Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" are considered to be eight (8) hours per day Monday through Friday including a duty-free thirty (30) minute lunch period. The actual workday for each building shall be established by the Board of Education. **The regularly scheduled workday hours for professional teaching staff are 7:45 AM to 3:45 PM Monday through Friday.**

Support Staff:

The workday for all regular full-time support staff is eight (8) hours, excluding lunch time. Because of different schedule requirements, employee's starting, lunch, and finishing times may vary in different assignments and locations. The employee's immediate supervisor will schedule working hours, break periods, and lunch periods. On non-student contact days, such as snow days, full day teacher inservice, paraprofessionals and other school term employees are not to report unless specifically directed to do so by their immediate supervisor.

A Regular Work Week

A regular work week is forty (40) hours or less. The regular work is five (5) consecutive days unless the immediate supervisor assigns the employee to a different work schedule. This section shall not be construed as a guarantee or limitation on the number of hours per day or hours in a work week which may be scheduled or required by the District.

Part-time Employees

A regular schedule of hours shall be prepared for part-time employees. Such a schedule shall be made known to the affected employees. A part-time employee is any support staff employee working 29.5 hours or less per week. Thirty (30) hours per week is the threshold for full-time status per the Affordable Health Care Act.

Lunch Period

All employees who work six (6) hours or more per day will be entitled to but are not required to an unpaid half-hour lunch period, which shall be duty free.

Breaks

Employees scheduled to work at least four (4) hours per work day shall receive one (1) fifteen (15) minute paid break. Employees scheduled to work at least eight (8) hours per work day shall receive two (2) fifteen (15) minute paid breaks. Breaks shall be scheduled by the immediate supervisor.

Administratively Called Meetings

Staff Meetings

Teachers are required to attend all mandatory administratively called staff meetings. Administratively called meetings may begin before the normal workday begins or go later than the end of the normal workday. The administration shall attempt to provide reasonable notice of all such meetings. Teachers who are required to attend staff meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

Other Administratively Called Meetings

Teachers may also be required to attend meetings of individual educational plans (IEP) teams, the preparation of individual education plans, parent-teacher conferences, department meetings or activities of similar nature, which are normally conducted at other times. Teachers who are required to attend other administratively called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

Attendance at School Events

Teachers are required to attend all mandatory administratively required school events. These events may be, but are not limited to, an open house, music program, art show and/or other District or building events that occur outside of the normal workday. Administration shall attempt to provide reasonable notice of all such events. Teachers who have a co-curricular conflict or have pre-approved coursework to attend, or other extenuating circumstances may be excused at the discretion of the Superintendent

and/or his/her designee. Such conflict should be communicated to the applicable administrator as soon as possible before the date of the school event. Teachers who are required to attend school events will receive no additional remuneration, above their regularly paid salaries, for attending such school events.

Emergency School Closures

In the event the District is closed or an individual building(s) is closed, full or partial day closures may be made up at the discretion of the District. The District shall, at a minimum, make up all days/hours necessary to guarantee the receipt of state aid and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin.

A. Teachers shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

B. All custodians and maintenance staff are expected to report to work when school is closed due to inclement weather or situations beyond the control of the District, if at all possible.

C. All other employees shall not report to work on days when the school to which they are assigned is closed due to inclement weather or situations beyond the control of the District. Any employee not at work when school is closed for an emergency shall not be paid for that day. School term employees shall be required to make days up in the event that the District schedules make-up days. If the day is not rescheduled, the employee may elect to either 1) not be compensated for the day/time school was closed or 2) use vacation, or personal leave time if available.

D. If employees report to work and a decision to close schools is made after that time, those employees will only be paid for the actual hours worked on such day, and those employees may elect one of the options in subsection C above for time lost due to the partial school closing.

School Calendar

The school calendar shall be determined by the Board of Education following Administration and Staff input. The determination of the structure of the days, e.g. instructional, in-service, workdays, etc., shall be at the discretion of the Board of Education.

Assignments, Transfers, and Vacancies

Determination of Assignment

Employees will be assigned or transferred by the District Administrator and/or his/her designee.

Vacancies

When a position becomes vacant or a new position is created, notice of such available position will be posted internally and/or externally. A current employee who applies for a vacant position, prior to the end of the posting period, may be granted an interview for the position. The District retains the right to select the most qualified applicant for any position based upon stated job descriptions (this restriction does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description). The term applicant refers to both internal candidates and external candidates for the position. The

[Return to Table of Contents](#)

District retains the right to determine the job descriptions needed for any vacant position.

Vacancy notices will be published in WECAN and emailed to staff. The notice will include the date of posting, the position requirements, classification (if applicable), a description of the position available, the tentative work hours of the position (if applicable), the hourly pay for the position (if applicable), and the qualifications required for the position.

New Employees

All newly hired employees for a period of 2 years from date of hire, may be disciplined or terminated from employment by the District in its sole discretion. Such discipline or termination shall be subject to the grievance procedure provisions of the Handbook.

Support Staff

All support staff are at-will employees and may be terminated at any time for reasons that are not arbitrary or capricious.

Involuntary Transfers

When the District determines that an involuntary transfer of an employee is necessary, due to the District's inability to fill a vacancy or a new position according to the procedures set forth above, the District reserves the right to transfer an employee in the District qualified for the position.

Employees being transferred, will be given prior notice from the District Administrator or his/her Designee.

Professional Growth and Development

Initial Educators

Initial educators are those who are new to the profession or who are in their beginning years in the profession and hold an Initial Educator license. Initial educators in the District will participate in the District's New Teacher Induction Program throughout their first year in the District. All teachers new to the District will have additional days of orientation and in-service prior to the start of the school year. These days will be scheduled in advance each school year. In addition, initial educators will be assigned a mentor teacher to meet the requirements of PI 34. The mentor shall not be involved in the supervision or evaluation of the initial educator.

Teacher Inservice Hours for Professional Development

Administration will determine and assign all (4) days of in-service for the staff. These in-service days will be clearly communicated sufficiently in advance and completed between July 1 and June 30 of the contract year to which they apply.

Support Staff Compensation

Additional Hours and Overtime for Support Staff – Approval and Assignment

- A. Approval: In order for an employee to work beyond his or her contract scheduled work hours in any week, prior approval must be obtained from the immediate supervisor. Exceptional cases requiring overtime may be approved after the overtime is worked when all administrators/principals/immediate supervisors are unavailable and such pre- approval may cause harm to students, staff, the community, or District property.
- B. Assignment: Non-emergency scheduled overtime assignments will be filled using volunteers first, with as much notice as possible, and if insufficient volunteers are found, the work will be assigned to a qualified employee(s) as determined by the District. If no one volunteers to perform the overtime, the District may assign the work on a rotating basis within the applicable job classification. Emergency overtime assignments shall be assigned at the discretion of the District.
- C. Pay Rate for Overtime: Time worked over forty (40) hours per week is paid at one and one-half (1.5) rate. The exception being emergency call situations, during these times overtime will be paid for any additional hours beyond eight (8). Time over forty (40) hours per week does not include sick, vacation, holiday, or personal leave time. All overtime shall be approved by the immediate supervisor. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Sunday and ending at 11:59 p.m. on Saturday.
- D. Pay Rate for Building Checks on Holidays: Employees making building checks during holidays, will be paid at one and one-half (1.5) rate of the employee’s current hourly rate of pay.
[Emergency call-ins will be determined by the District Administrator or their designee]

Out of Classification Pay

Any employee that is temporarily reassigned to a position in a higher paid classification shall receive the pay of that classification. Upon completion of the employee’s assignment under the higher pay scale, the employee shall revert to his or her former classification and rate.

All employees’ pay will occur bi-monthly, generally on the 15th and last day of each month, **via electronic (direct) deposit**.

12 Month Full Time Support Staff Vacation

12 month full time support staff; paid vacation will be provided to calendar year full-time employees according to the following schedule:

Number of Years Worked	Vacation Days Earned
After one (1) year of service	10 days
After eight (8) years of service	15 days
After fifteen (15) years of service	20 days
After twenty (20) years of service	One additional day for each year after 20 year to

a maximum of 25 days

Employees in their first year of service earn a prorated amount of vacation based upon the number of months worked. For example an employee hired on October 1st, 2015 would be eligible to earn nine-twelfths (9/12) of the employee's vacation allotment on July 1st, 2016. This would entitle the employee to 9/12 times 10 days on July 1, 2016, or 7.5 days. The employee under this example would be entitled to ten (10) days of vacation on July 1, 2017. This provision is not retroactive.

"Years of Service" refers to years of service in the District in a position that is eligible for vacation. Eligible employees in the District shall receive the preceding vacation depending on years of service as measured each July 1st. For calculation purposes, vacation is earned based upon the prior year's service.

Vacation accrual for part time employees in the District who become full time employees will be handled on a pro rata basis (e.g. someone who has worked for eight (8) years at .5 FTE will be credited with four (4) years of continuous employment for vacation accrual purposes).

Scheduling of Vacation

Vacation time may be taken in full blocks, or in shorter blocks not less than one hour as arranged with the immediate supervisor. Requests for vacation time shall normally be made and approved at least five (5) working days prior to taking such leave, however, vacation time requested with less than five (5) working days' notice may be approved by the District Administrator and/or his/her designee. No employee may be denied the ability to take all of his or her accrued vacation during a 12-month period, but the District Administrator and/or his/her designee shall have the right to schedule vacations on a first-come, first-served basis, as necessary to accomplish work objectives.

Vacation Accumulation

Vacation days must be used prior to the next anniversary date (July 1) unless a request to carry over days is approved by the District Administrator or his/her designee. An employee shall be allowed to carry over up to five days of vacation from any given fiscal year. Any unused vacation time above the 5 days carried over shall be forfeited by the employee.

Holidays During Vacation

In the event that a paid holiday falls during an employee's vacation period the employee shall be allowed to take an additional day of vacation in lieu of such holiday.

If January 1st falls on a Sunday and school is scheduled to begin on the following Monday, the preceding Thursday shall be observed as the December 31st holiday and the preceding Friday shall be observed as the January 1st Holiday. If December 24 and December 31 fall on a Sunday, the preceding Friday shall be declared the holiday unless the preceding Friday is a student contact day.

Eligibility for Holiday

In order to be eligible for holiday pay, an employee must work the employee's scheduled workdays immediately preceding and following the holiday, unless the employee is on an excused absence with pay which has been approved by the District Administrator and/or his/her designee. The Administrator has the right to approve or disapprove all requests, based on availability of finding a substitute.

No more than six (6) employees in the District may take personal leave on any given day when school is in session, unless the District Administrator or his/her designee grants approval to exceed the six (6) employee limit.

An employee who is unable to report for work because of jury duty shall notify their direct supervisor, followed by requesting a substitute. Retirement Benefits

Eligibility

Retirement Benefits

Any employee may participate in the following voluntary retirement plan, provided that the employee has:

- a. Attained the age of 55 (as of June 30 of the school year in which the letter of resignation for retirement becomes effective); and
- b. Completed a minimum of fifteen (15) years of service in the District; and
- c. Received approval from the District to retire with the benefits described herein.

Teachers must provide the District, no later than March 1st, with a written letter notifying the District of their intent to retire effective with the last day of the contract year. Teachers who notify the District of their intent to retire by October 1st, will, upon retirement, be eligible for a credit balance equal to one hundred twenty dollars (\$120) for each day of unused sick leave accrued above the 120-day maximum, for all unused sick days accrued from the 10 allotted days from the year of retirement.

All other employees must provide the District, with no less than thirty (30) days' notice, with a written letter notifying the District of their intent to retire and the intended retirement date.

1. In the event that the benefit amount is not exhausted by age 65, the employee may apply the unused balance toward the purchase of a Medicare supplement insurance.
2. Retired employees may elect a different health insurance provider other than the District's group plan. The district will pay the premiums from the retired employee's credit balance until it is exhausted. Any employee choosing other than the District provided plan shall hold the District

harmless for any losses in benefits as a result of not choosing to keep the District's group policy. Such employees also waive their rights to return to the District's group health policy.

3. Upon the death of the retiree, the remaining credit balance shall be used to provide health and dental insurance premium payments for the retiree's spouse until that balance is exhausted; or the surviving spouse may elect to receive a lump sum cash settlement for the remaining accumulated sick leave balance.
4. In the event that both spouses are employed by the District, the first spouse to retire may hold his/her health insurance credit in abeyance until the retirement of the other spouse. Once this credit is exhausted, the retiree (or spouse) is no longer eligible to remain on the District's health and dental insurance.

Retired employees may elect a different health insurance provider other than the District's group plan. The district will pay the premiums from the retired employee's credit balance until it is exhausted.

Rehired Annuitants

It may be beneficial at times for the District to rehire professional staff annuitants, especially for positions in which a current shortage of applicants exists. Annuitants may apply for and be considered for vacant positions. In these instances, the annuitant will be hired without insurance benefits or WRS contributions.

Benefits for Teachers

Teachers with ten (10) or more years of teaching experience with the District at the end of the 2011-12, June 30, school year, and who meet the retirement eligibility criteria, will be provided the following upon retirement:

- The amounts specified above may be applied to the cost of the group health insurance plan and the group dental insurance plan offered by the District to its eligible employees until the amount is exhausted.

Teachers with nine (9) or fewer years of teaching experience with the District at the end of the 2011-12 school year, and any newly hired teachers beginning with those whose individual contracts begin with the 2012-13, July 1, school year, and who meet the retirement eligibility criteria will be provided the following upon retirement:

- A credit balance equal to the total of \$1400 dollars per year of teaching experience in the District.

- The amounts specified above may be applied to the cost of the group health insurance plan and the group dental insurance plan offered by the District to its eligible employees until the amount is exhausted.

Benefits for Support Staff

Eligible support staff employees may convert unused accumulated sick leave to create a credit balance that may be applied to the cost of group health, dental, and vision insurance premiums until the amount is exhausted.

The conversion formula will be the last daily rate times the number of unused sick leave days with unused accrued to a maximum for retirement benefit purposes. One hundred twenty (120) days for twelve month employees and for
